PROJECTS

KarmyugTechzone - Official Website

KarmyugTechzone IT company • karmyugtechzonee.in/ • July 2024 - July 2024

- I designed and developed the official website for Karmyug Tech Zone, a leading tech education platform in Ratlam, Madhya Pradesh. The website showcases our diverse range of tech courses, student success stories, and community initiatives.
- **Responsive Design:** Optimized for various devices (desktop, tablet, and mobile).
- **Course Listings:** Organized course descriptions and details with easy navigation.
- **Lead Generation:** Integrated inquiry forms to capture potential student leads.
- **Community Engagement:** Highlights the NGO activities such as providing affordable education, tree planting, and animal welfare.
- **Performance Optimization:** Ensured fast load times and user-friendly navigation using HTML, CSS, JavaScript, and React.

KarmyugSevaFoundation - Official Website

Karmyug Seva Foundation • karmyugsevafoundation.in/ • March 2024 - April 2024

- I developed the website for Karmyug Seva Foundation, a non-profit organization focused on empowering underprivileged communities through educational, environmental, and social initiatives. The website serves as a platform to highlight the foundation's mission and activities, including:
 - **Interactive Design:** User-friendly interface that provides information on ongoing projects, such as affordable education, tree plantation drives, and animal welfare.
 - **Donation Integration:** Seamlessly integrated donation system for supporters to contribute to various causes.
 - **Volunteer Sign-Up:** Built a volunteer registration system to streamline participation in events and initiatives.
 - **Blog & News Section:** Enabled a space for posting updates on completed projects and future goals, keeping supporters informed.
 - **SEO Optimization:** Ensured high visibility in search engines by incorporating SEO best practices, driving awareness and engagement.
